vs. 11% Not in Community

RISE outcomes

42%

lower observed melt

Done 7% vs. Hidden 12%

Insight becomes human action.

The Strategy Board recommends actions to help counselors support students. These results compare melt for committed students with recommendations marked Done versus Hidden.

✓ Done

The counselor marked the recommended action complete.

Hidden

These recommendations were never requested by counselors and therefore never surfaced on the Strategy Board.

RISE melt comparison

5 percentage points lower

Committed students

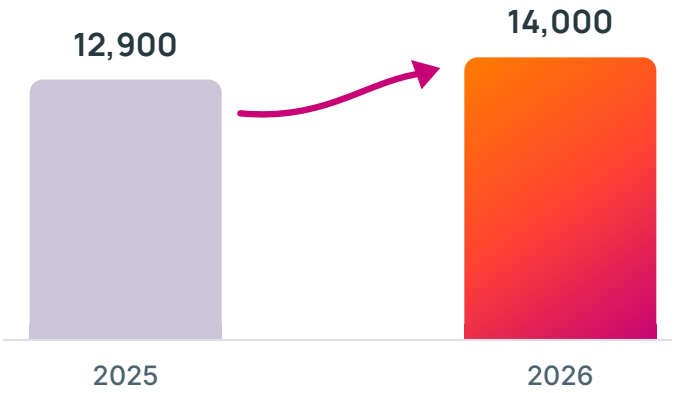

RISE melt results include students in Community and not in Community.

Community adoption

More students. More connection.

+9%

1,100 more students
in Community

First-year Community membership

A larger Community gives more students a place to build relationships, ask questions, and picture their future on campus.

Community and enrollment outcomes

Higher yield. Lower melt.

28%
yield in Community
vs. 11% Not in Community

9%
melt in Community
vs. 12% Not in Community

2026 outcomes

Yield: admitted to enrolled / Melt: committed students lost

Population	Yield	Melt
Overall first-year	16%	11%
In Community	**28%**	**9%**
Not in Community	11%	12%

Community membership includes first-year students regardless of enrollment status.
