Selective private college

Community grows.

More commitments. Lower melt.

Community adoption

+115%

membership growth

About 1,700 to 3,600 students
2025 to 2026

RISE commitments

42%

higher commitment conversion

Done 18% vs. Pending 13%

RISE outcomes

57%

lower observed melt

Done 6%
vs. Pending 15%

Insight becomes human action.

The Strategy Board recommends actions to help counselors support students. These results compare outcomes for students with Done versus Pending recommendations.

✓ Done

The counselor marked the recommended action complete.

Pending

The recommendation was visible but was not marked Done or Skipped.

RISE commitments	5 pp higher
Done	18%
Pending	13%

RISE melt rate	9 pp lower
Done	6%
Pending	15%

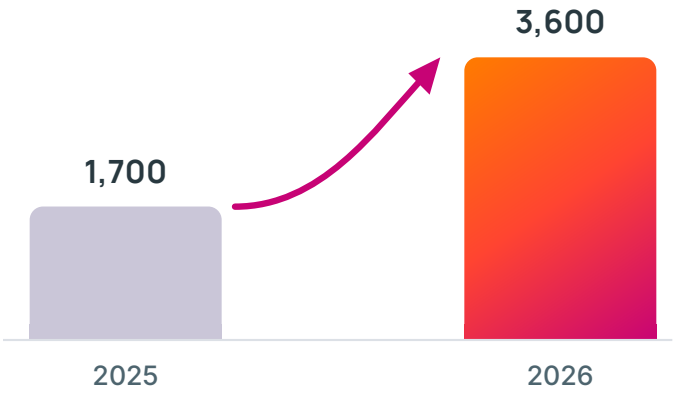

RISE results include students in Community and not in Community. Membership counts and rates are rounded; reported changes use unrounded values. pp = percentage points.

Community adoption

More than twice the Community.

+115%

From about 1,700 to 3,600
students in Community

Community membership / Rounded counts

Community yield rose from 33% to 38% as membership more than doubled.

Community and enrollment outcomes

Higher yield. Lower melt.
